Kiara Mia Mine

This letter is to commend you on the photos of Kiara Mia. What a fucking sexy lady. I can't think of anyone sexier or that I'd like to spend time with – in the sack. Those boobs are killer and her hips and butt are just the right size. I like my women round, not skinny sticks. Just looking at her photos makes me hot. Some of it is the black bustier. Some of it is her long black hair; and all of it is the animal magnetism that she exudes. I'm sorry to say that I'm married to a blonde wife, and I dream and fantasize about raven haired women. They're just so hot and they make my blood hot. So give us more big-boobed, cock-hungry brunettes and many of us will be happy guys once again.

Latina Wet Dreams

It was a real treat to see the pictures of Rose and Sophia, two hot Latinas, making love to each other. It's not that they're Latinas. But that they're hot. I wish I was there to suck their fingers after they were in each other pussies. Or maybe I could just watch and when the needed a cock, I could be there to provide one. Maybe they could take a few minutes from their lezzie love, which I'm all in favor of, to suck my cock. I'd like Rose on the left and Sophia on the right as I look down at them. The Rose would be the first one to go lower and suck my balls as Sophia would exit my cock and begin sucking on Rose's nipples. I think that sex with either one, or better, both of them, would be the greatest thing. While I know it's probably not going to happen to me, I'll re ready and waiting if the possibility ever exists.

Rebecca

I've always loved water, and I'm are not going to lie to you: part of why love waters it gives me a chance to wear a sexy swimsuit. Today, I love wearing skimpy things in public. Actually, if I had it my way, I'd love to just walk around naked all day! Well one day at the bar, I overheard him talking to one of the waiters. He was talking about how he was going skinny-dipping in nearby Maple Lake that night.

Well, you can guess what I did. I showed up there first. Took off everything, and swam into the lake. I floated on my back and fingered my pussy. When I heard him get in the water, I just kept fingering myself. In a minute, his finger replaced mine, and he dove under water and began licking my ass hole! The feeling of his tongue in the water was too much to bear, and my juices gushed throughout the lake!

Now, you guys know I'm not a girl who has a hard time getting laid. But, what I want was more than just dick. I want adventure. I go for a midnight swim. I put on a tight little pink bikini. My pussy was just so swollen and horny. I planned to go masturbate in the ocean. To that end, I brought along an inflatable raft so I could lay back in the ocean and diddle myself properly.

The waves rocked me, then suddenly, I was upended by a boogie board. My body was tangled with a young stud who was having a moonlight board ride. Before I knew it, I was on the raft with my legs up in the air as he pumped his young rocket in my hungry pussy.

Panama Canaled

Laura decided to take a trip through the Panama Canal for her final spring break and hook up with friends in the Caribbean. She flew to Acapulco and spent a couple days on the Mexican Riviera. From their she boarded a beautiful Mexican three mast ocean schooner and headed for the canal and her ultimate destination... Cancun.

He knocked on the cabin door.. He waited and rang again, still no answer. Suddenly the door opened and there she was. His drinks rattled on the tray.

"Oh, I didn't expect you so soon. Let me get my purse. Won't you come in? Please bring the drinks to the deck, I will meet you there." she said.

Carefully, Carlos made his way through the stateroom. She was sun bathing on her deck. Her chair was set just right for the angle of the sun, the lotions within reach. He stood there feeling a little awkward until she appeared with her wallet. Her boobs wiggled as she rummaged through her purse for a few pesos. She leaned forward as she sat at the table and Carlos could see clearly down between her tits. He pondered the softness his dick would feel if he could stick it down there. "Here you are", she startled him as she suddenly looked up. "Before you go, would you do me a favor? Would you spread some lotion on my back? I can never reach there. I'm not keeping you from your rounds, am I?"

"N-n-no", he stammered as she boldly took off her blouse. Two of the most perfect tits he had ever seen were now unabashedly well with in reach. He trembled as he poured the lotion into his hands. She sat on the edge of the table, her feet on the bench, and leaned forward and he started to spread the lotion. He allowed his hands to slide around to her luscious breasts. She certainly put up no resistance so he went right for the nipples. They firmed up rock solid when he touched them. She chirped and her chest lurched forward as he did so. As he was massaging her upper arm, he realized she was massaging his crotch with her hand.

His other hand then went for the lotion, pointed the plastic bottle, squeezed and he squirted some lotion onto her stomach. He went directly for the panty line, slipped under and found her pussy to be shaved smooth. He massaged her pussy lips with lotion, occasionally slipping his fingers into her tight hole. She was so turned on at this point, he could easily press two fingers in with only mild resistance. With two fingers deep inside, he went for her clit with his thumb. She had worked his buttons open and was massaging his cock through his underwear.

Carlos slipped out of his deck shoes and dropped his pants with complete abandonment. His 7" cock danced up and down, side to side and tantalized her until he resumed the lotion massage. As he did, she turned her head to face his crotch and he parked his blood engorged cock between her lips. She flexed her tongue to meet him and slathered it in saliva. Her lips closed around the firm

cleft in back of the head and she deliberately tightened her lips there. They both could feel the growing hardness of his cock. Suddenly she stopped sucking and squirmed to the end of the table and dropped her head back over the edge. He easily pictured what she wanted and walked around to meet her. There she was, at the perfect height, lips to crotch and once again he parked his cock in her.

This time Laura was at a good angle that he could easily slip his cock down her throat deep enough that his balls went right up to her nose. She closed her lips to get a strong hold on it. She held the position as he fucked all the way in then all the way back out again. He arched his back and fucked in a rhythmic motion. All the way in, and then all the way out, very slowly, getting it totally soaked in saliva. So much so that he almost came. He pulled out and squeezed the tip of his cock to stop the process. Almost too late, but it stopped. They both spent a few seconds to catch their breath.

He certainly did not want to cum now, not before he had the chance to fuck her boobs. Soon he was sucking Laura's nipples and massaging her breasts. Slowly he moved around to mount her. Soon he was straddling her stomach with his cock resting between her tits. He held then pushed around it and started a slow forward and back motion. Their smoothness against his dick was incredible. He pushed forward, his balls touched her boobs and she licked the tip. Pulling back, the head rode down in the valley and the cleft just in back of the head rubbed her mounds. Faster then slower, he controlled the motions. Then he moved around to fuck them from the other angle. He was straddling her face and fucked down her tits. He turned around and leaned forward and started licking her pussy. Soon they were in a 69 position for a mutual suck.

He then moved the two benches so she would have them to rest her feet on them. He started licking her smooth and hot thighs, then slowly moved up to the crack of her ass and up to her clit. It was now swollen and very hard. He stood up and she was at the perfect height for him. He stood there for a few seconds slowly plowing around her pussy lips with his tip of his cock. It almost slipped in and he felt the tightness of it. He let it slide up ward to feel the lips on the underside of his cock. His balls tickled her ass as they bumped.

He loved the hardness of her pussy muscles as the underside length of his cock rode over them. The tightness prevented him from slipping in easy. A little more pressure and the tip slipped in. More cream oozed out around his cock. With a deliberate slowness he penetrated her, savoring the intense heat. His cock felt as if it was being sucked in. Soon he was fully planted in her. His balls rested on her ass and her pussy gripped at the base of his cock. Slowly he sawed his cock back

and forth. She grabbed his ass as he fucked her, her nails leaving scratch marks on his ass cheeks.

In the meantime, the bosun had been waiting down the corridor outside her cabin. He wondered why it was taking Carlos so long to deliver drinks. He goes to the cabin door and hears some grunts. Faster and faster his well lubricated cock zipped in and out. Occasionally it slipped out and once again he was slide fucking her crack. She reached down and guided it back in without breaking his pistoning action. She reached down and jerked him quickly as he pulled out. Then he pushed back in, to the hilt again. His hairs ground into her shaved pussy. He arched and pushed in farther than he had ever pushed before.

She held his balls and pressed in on his vein in back

of them. He shot his first load deep in her and quickly pulled out to spray her tits. He landed a few shots in her face, and a few more on the table. Then she took his cock and swirled it around her pussy and over her clit as she went into the throes of her orgasm. She held his cock and once again pointed it into her pussy. He followed suit and continued the fuck. The sensitivity of the cock head was so intense he squealed but continued to fuck her. Her pussy was now well lubricated by the first shoot of his load.

The bosun used his key to enter and saw the action on the deck. He was as hot as they were. He lumbered forward with throbbing cock in hand. Panting, Carlos explained to her who the bosun was and again collapsed into her luscious tits. The bosun walked over to them and started feeling her tits. She recovered her breathing, she rolled her head to start sucking the bosun's cock. Carlos brought his hand around and started feeling her ass. His boss did the same but found her pussy. Soon they each had fingers up inside her.

Laura was lying on the table with legs well spread as the bosun approached her. Both of their cocks were hard as rock. She moaned as she felt their fingers penetrate her. Slowly at first then a little faster. As Carlos felt her asshole loosen, he stuck in two fingers, then three. She could not resist the temptation to lean forward and suck his cock. She licked his balls and the whole length of his cock. Then she held both cocks together slowly stroking them. The heads swelled up as she linked the pre-cum from the holes. She tried to suck both of them at the same time but ended up doing one then the other.

Soon they were soaked with saliva enough for the double fuck. She climbed on top of them and straddled the two fine strapping young boys. Lowering herself, they worked their cocks into her pussy and asshole. Soon they were fully embedded in her and she did all the motion now. In full control, she worked her own orgasm. She purred as she scalded them with a blast of cream. She worked a circular motion to feel their cocks in areas of her pussy and ass that didn't normally get stimulated. Again she soaked the deckhands with her cream. Faster and faster she bounced on the dual cocks.

The three gasped faster and faster as they worked to their communal cum. Soon the three were squealing as she controlled the action. The bosun shot first, deep in her pussy and Carlos soon followed and shot a full load up her ass. Totally exhausted, they just stayed in their positions and rode out the waves of heated orgasm. They must have stayed there for about three minutes until they started to feel the coolness of the afternoon breeze chill them. She then lifted herself and the two cocks flopped out of her holes. An abundance of cum flowed out also.

"Well, boys, do you think this was a sufficient tip for my drinks?" she quipped.

Taking a deep breath, Carlos said that he would be happy to take this type of tip for every delivery. They all agreed that there would be another order and delivery sooner or later and they would certainly be looking forward to it. Laura just wanted to be sure it would be the two of them servicing her on their trip.

When it comes to sex, I like to let the man be the man. He can take control and initiate it physically. I'm happy being there to please him. But if I feel that I'm not getting pleased, I'll step up the volume and then he'll have to follow or he gets booted out of the bedroom. So, that has only happened once.

I love my bald pussy. And guys like it, too. It feels extra sensitive right after I shave it and it gets me horny even faster. The nerves on my skin are so sensitive that they literally tingle to the touch. I shave it two times a week because I don't like the stubble. Neither do any of my sexual partners. Sometimes I'll have my lover shave me and it's quite sexy. I find that they are extra spunky when my pussy is baby-bottom smooth.

I've been kicked out of a number of places for having sex in public. The latest one was at a hot tub at the health club. They said it wasn't very healthy. I've learned that most places will tolerate giving hand jobs and some even will look past my giving head, but when the dick goes in the pussy or ass, they draw the line. I try to be subtle with my partner but so we don't get caught. Oftentimes its the moaning and facial expressions because they usually can't see in the water.

I'm known for throwing the craziest of Halloween parties. Every year I try to come up with a great theme and invite a bunch of friends and turn them loose on each other. What I mean is that the parties sometimes get out of hand, and this one sure did. I will admit here to you, but never to my guests, that I invite ringers. What I mean is why throw a party like this and have it result in a dud. I hire people that I know will get crazy, get freaky, or just get it on so that party is memorable. This is my party for Halloween 2016 -- my Mucho Libre party.

I invited guys to come as their favorite Mexican wrestling star, and the women too, or they could be ring girls. I also hired a few people to make sure this party was unforgettable. There were so many sexy outfits there it was nice to see guests wearing masks as no-one knew who was underneath. I also noticed the number of guys who were checking out the *luchadora, Reina Tigresa,* the Queen Tigress. It was just after 10 pm when I decided the party should crank it up a gear. Along with the Tigress came *El Tigre* and *El Leon*. They were all good friends and willing to put on a bit of a show. I only hoped my guests were ready for this.

I had a small wrestling ring set up in the corner of my large living room with a mic dangling from the ceiling. I was the MC. I walked into the middle of the space and had a friend lower the mic. I tapped it a couple times to be sure it was working and to get everyone's attention. As the party-goers gathered, two masked wrestlers entered the ring and flexed as I announced them. Ooohs and aaahs came from the female voices around the ring. A bell ring and they started their posturing and dancing and finally clutched each other and did some amazingly realistic moves. *El Leon* was getting the better of the Tiger when all of sudden the *luchadora* burst into the ring and started pushing and pounding *El Leon* on his chest. He grabbed her and started laughing out loud while she tried to get out of his grasp. Soon *El Tigre* jumps in and the two surround her.

That's when the action really started. They rip off her bodysuit and a few gasps can be heard. Her boobs pop out and soon her ass is exposed. She tears at their costumes and within a few minutes, they are all stripped naked except for their masks and shoes. The Tigress threw her head back and The Lion was now playing with her pussy. His arm increased speed as he worked her pussy with his fingers. The Tigress grabbed hold of his arm tightly and closed her eyes, I knew she was close to cumming and as soon as she let go of his arm, I knew she had cum.

Here is what happened next... The two male wrestlers pushed the Tigress

down on her knees and pulled off her mask to the gasp of the crowd. She grabbed both cocks and did a muscle pose showing off her biceps. In unison, the two men moaned and she started licking and sucking on them. Putting on a show, the two guys pretended to push each other's chests as she sucked their cocks.

She extended her tongue and in one long stroke, ran it the length of the Lion's shaft along the underside, from the base to the tip causing him to shudder. Clearly this was a women who knew what she was doing. Using her saliva as lubrication, she gently jerked the shaft while simultaneously sucking and tonguing his swelling balls, her hand sliding up and down never quite reaching the sensitive head. Her expert mouth tickling and teasing. Gradually her mouth and hand switched places and started on the Tiger's raging stiffness. He felt the wetness of her saliva moving back up the underside of his cock. As her hands began to fondle his balls, she used the tip of her tongue to lap up the bit of clear pre-cum that had pooled at the opening of his cock head. Her tongue flicked, poked, and swirled as the crowd broke out in quiet applause. A stream of yeses and don't stops escaped their lips as they egged her on.

Finally, at the perfect moment, in one smooth motion, the Tigress opened her mouth wide and swallowed all eight inches of his cock letting her nose bump up against his groomed pubic hair. All he could do was moan as she opened up and his cock disappeared down her throat. She held it there for a moment as her eyes watered up, then pulled back rapidly leaving a chain of saliva to maintain the connection of his cock to her lip. A few sloppy tugs of spit drenched cock and again she inhaled his member. This time after bottoming out, she began sliding her lips up and down while sucking, creating such a perfect rhythm that you could use her slurps as a click track to record to. WIth one hand she worked his balls occasion-

The Tiger positioned his cock against her ass hole which had been loosened by the Lion's fingers. He slowly pushed his cock into her anus and she groaned as as he speared her between her cheeks.

ally, while her other hand worked in concert to keep the Lion's cock hard and ready for the next round. She continued to work his manhood masterfully, riding his rhythms, edging him closer and closer, but not letting him finish.

The the Tigress gets up and takes the arm of the Lion and twists it until he falls to his knees and then to the ground. She took his cock in her hand and gave it a few strokes before she placed it at her pussy lips and slowly lowered herself down onto his rock hard cock moaning in pleasure as she did so. After a few minutes she adjusted to the size of his cock and started gyrating up and down on it. He then took her left boob in his hand and placed her nipple into his mouth and started sucking it and flicking it with her tongue.

The Lion started rubbing her ass cheeks and probing her butt hole, She moaned and that was the cue for the Tiger to move behind her and the Lion moved his hand away. The Tiger positioned his cock against her ass hole which had been loosened by the Lion's fingers. He slowly pushed his cock into her anus and she groaned as he speared her between her cheeks. After a few slow thrusts, he began to slide in and out easier. Then the Tigress demanded she be fucked faster. The two men did not want to disappoint her or their audience so they did as asked. Her moans and screams were so loud now that I'm sure she must have woken some of the neighbors. It only took about twenty minutes before the guys were close to cumming. The Tiger drove cock as hard as he could into her ass and filled her with his cum. He backed off her and went to a corner, arms raised and pumping as if her had won the bout.

The Lion turned her over on her back so he was on top now. With her still impaled on his cock he pulled her legs up onto his shoulders. He pounded her hot pussy harder and faster as she continued to moan in pleasure. I had to admire the Lion's stamina as he was going for nearly an hour at this point. It was not long more before the Tigress could hold on no more and with a loud scream she came with one of the biggest orgasms I had seen or heard. This was as much as the Lion could take, sweat pouring out from under his mask and onto her body. As her pussy tightened around his cock and as she came, he let out a moan, pulled out of her pussy and shot his load far across her chest hitting her breasts and her chin. The Tigress splayed her arms and legs out as if she had just been pinned.

The party-goers applauded and cheered. The wrestlers came to the middle of the ring and took a bow. A I looked around, I saw some women had their hands down a guys pants, some were just diddling themselves. In a far corner on the other side of the room, there were couples fucking on the furniture in the subdued light. All in all, I think this party was a huge success.

I couldn't help myself. His Spanish accent and huge cock are very hard to resist. When he looks at me I can feel my pussy immediately become moist. They say a girl shouldn't give it up on the first date, but fuck it he was just too fine. When we fuck, he's usually on top, but tonight we've traded places. I command the cock. I control the pussy and I give it up when I want to. He must submit to my wishes and I wish he would fuck me hard. It feels quite good to be the one in control for a change.

I just love being naked and having my picture taken. And I get really excited when we're doing a video, too. Men become powerless when a naked woman is before them. We control everything. We got the mouth, we got the boobs, we got the pussy, and we got the... cum on everybody... say it with me, we got the ASS. That means we control it all just by allowing you to have what we give. And then we take as much as we can from you.
